

PACIFIC ISLE NEWSLETTER

MAY 2010

Summer is upon us and I see more and more people using our wonderful amenities. We have repaired and/or upgraded the pool, the volleyball courts, and the tennis courts. Please follow the rules and regulations that are posted for each of these places.

TENNIS COURTS: Only tennis players; NO bicycles, skateboards, tricycles, scooters, etc. Sometimes people feel this is a good place for the little children to play. It is NOT. We spent a lot of money this winter having the courts resurfaced and we are finding signs of abuse. Please abide by the posted rules including NO BLACK SOLED SHOES on the court.

POOL: These rules are clearly posted on the gates. Along with rules about ages and loud music, please make sure you take ABSOLUTELY NO GLASS into the area. If glass is “accidentally” broken, the pool and spa will be shut down for at least 24 hours. DON'T BE THE CAUSE!

ELEVATOR UPDATES

We know this has been a huge inconvenience and we appreciate your patience and understanding. The good news is we are installing a new controller, all new push buttons and lights, a new door operator motor and a new inner car door (behind the walls we see). We all look forward to having an elevator that works in a proper manner!

The 25 elevator is also getting some new parts (to stop the growling). The parts have been ordered and will be installed when they arrive.

2ND NOTICE GATE CODE CHANGE

We will be installing a new gate code machine Friday, May 28th. When this happens, ALL codes will be deleted. This is a perfect time for us to update our records. A letter has gone out to all homeowners with a form to be completed and sent back to the office. We will be changing all the drive through gate codes on June 1st. Your current codes will not work after that date.

TENNANTS: The owner of your unit will give you your new gate code number.

We will put in a temporary code of “1234” for everyone to use for the first few days. We anticipate having all new codes input by June 10th. At that point we will delete the “1234” code and everyone will be responsible for their own code.

(OVER)

READY FOR SUMMER

Summer is very close at hand. The days are getting longer and we are all starting to spend more time outside. Please remember ALL noise in the courtyard travels upward into your neighbors units. There are signs around the inner courtyard reminding people of the hours. Please adhere to these hours as we move through the summer.

NEXT REGULAR MEETING

Wednesday, June 9, 2010 at 5:00 P.M. HOA meetings are held the second Wednesday of every month.
