

PACIFIC ISLE CONDOMINIUM GUIDELINES

(A complete set of CC&Rs and Rules and Regulations are given each new owner when purchasing a unit within Pacific Isle)

The common areas (swimming pool, gym, laundry, tennis courts, and bar-be-ques) have posted signs with hours and rules.

Parking is at a minimum. All spaces are assigned. There is no guest parking on site.

Guests using the common areas must be accompanied by a resident.

Pets UNDER 20 pounds are welcome, but no more than 2 for each unit. Dogs must be registered with Pacific Isle and be on a leash at all times.

There is no play area for children, so they must be accompanied by an adult when in the common areas (including hallways, stairwells, and elevators).

Pets, bicycles, skateboards, roller blades, and similar items are not allowed in the common areas (hallways included) at any time.
